LOT 2015

A 19th century French cherry drawleaf farmhouse table, fitted with a single end drawer, height 77cm, unextended length 175cm, extended length 338cm, depth 74cm.

Estimate: £250 - £350

Condition Report

2015. Please note that only one end extends, so therefore the extended length is 257cm (not 338cm as originally described). It appears that it has always been like this to accommodate the end drawer. The feet have been typically extended but this has been done well. There are some overall minor scuffs, scratches and some minor scattered historic woodworm.
