

Postcards / Friday, 11th December 2020 / Lot 3259

### LOT 3259

A large collection of aviation postcards in 26 albums, the large majority modern postcards collected by publisher, including Charles Skilton, APC, Avimage, Propcard and many others.

Estimate: £400 - £600

---

### Additional Comments

3259. These are standard albums, four-to-a-page and mostly double-sided. We have picked an album at random and it includes 330 postcards. It looks a fairly typically filled album.
