LOT 2088

A small George III mahogany commode cabinet, the moulded top above two doors and two drawers, height 78cm, width 56cm, depth 45cm (alterations and restoration).

Estimate: £40 - £60

Condition Report

2088. The two doors open and close fine, each top handle operating a latch. The two doors both have thin cracks to the fronts, as does the lower drawer. The top has a few small water marks and two re-veneered rear corner sections. There is a small section of moulding on right-hand corner missing. There is an area of old woodworm to the bottom edge of the rear panel and base board.
