LOT 2161

An Art Deco style walnut cased upright mini piano by Zender, overstrung, height 101cm, width 114cm.

Estimate: £80 - £120

Condition Report

2161. The case is in fairly good order but does have some sun fading and sun fade lines where the key cover has been up. It has not been tuned recently and will need a little bit of attention. The felt along the rear edge of the keys has a small area of moth damage and the hammer pads have a fairly typical amount of wear.
