

Asian and Islamic Ceramics and Works of Art / Thu, 10th December 2020 / Lot 1377

### LOT 1377

A Japanese softwood single case inro, 20th century, the box and cover decorated in relief with a dragon, signed, length 9cm (sections of dragon missing), together with a Japanese lacquer box and cover, decorated with a butterfly, length 10.5cm (faults), a lacquer box, cover and stand, length 16.9cm, and a carved hardwood head (faults).

Estimate: £40 - £60

---

### Condition Report

Inro - Cover missing two sections of dragons body, one to each side, otherwise in generally good condition.

Lacquer butterfly box -cover with 2 missing sections to the side, the top of the cover has a couple of nicks and is worn. The box base has 2 sections of broken and missing rim, also a crack to the side and numerous wear and scuffs.

Box, cover and stand - generally in good condition with no significant damage or repairs, but wear to edges of all pieces and the stand is particularly dirty with some small chips to the edges.

Head - crack from top of head down one side of the face, otherwise ok.
