

Asian and Islamic Ceramics and Works of Art / Thu, 10th December 2020 / Lot 1026

LOT 1026

A Japanese brown patinated bronze figure of a rat, Meiji period, modelled clasping a nut, unsigned, length 17.4cm (tail repaired).

Estimate: £70 - £100

Condition Report

1026. There is a repair to the tail where it meets the body, otherwise in generally good condition but a little dusty and dirty.
