## LOT 2019

A 19th century ash and elm stick and hoop back Windsor elbow chair, on turned legs, height 82cm, width 56cm, depth 52cm, together with a late 19th century beech and rush seated armchair, height 89cm, width 54cm.

Estimate: £50 - £80

---

## Condition Report

2019. The Windsor chair is structurally sound and is in generally good order, but with some typical thin cracks to some of the spindles, the surface of the handrests and two of the legs. Also some typical surface wear to legs and stretchers.

The rush-seated chair has a crack to the top block of one front leg and some minor surface wear.
