LOT 535

A gold and colourless topaz necklace, the front fitted with eleven graduated oval colourless topaz, on an oval and circular link neckchain with a boltring clasp, detailed '15', weight 12.5g, length 43.5cm.

Estimate: £400 - £500

Condition Report

The chain is marked '15' to a small oval panel to a link near the gold boltring clasp, boltring is marked on the side '1' and possibly '5'. The necklace is in overall fairly good condition, there are however two pendant colourless topaz lacking, one from either side of the top of the gem set section leaving sharp points. One of the smaller oval topaz on one side has been misconnected below the loop of the link that it should have been connected to, the necklace has been reconstructed from its original form.
