

Jewellery / Wed, 13th January 2021 / Lot 649

LOT 649

A gold circular buckle and strap brooch, mounted with two circular cut diamonds, otherwise with engraved decoration, the back with a glazed locket compartment, unmarked, weight 10.4g, diameter 3.3cm (replacement brooch pin).

Estimate: £250 - £300

Condition Report

The top diamond is chipped at the edge of the table facet, the lower diamond also has a small chip to the edge of the table facet, the buckle and strap motif is not perfectly centred to the front of the brooch, there are a couple of shallow dents to the front strap motif, otherwise in good condition. Suggested age, circa 1880.
