### LOT 327

A George IV silver Fiddle and Shell pattern meat skewer, London 1828 by William Chawner, weight 154.8g, length 33cm.

Estimate: £120 - £180

### Condition Report

The skewer has good clear hallmarks opposing a small armorial. It is not misshapen in any way and has no damage or repairs, but it is overall heavily scratched along its whole length on both sides. The scratches are to varying degrees but mostly significant - it looks as though there have been attempts to polish them to reduce their appearance, but they are still very noticeable.
