

Jewellery / Wed, 13th January 2021 / Lot 530

## LOT 530

An 18ct white gold and diamond half eternity ring, set with baguette cut diamonds, detailed '750' '18k', weight 2.9g, ring size approx N, with a case.

Estimate: £350 - £450

---

## Condition Report

530. The diamonds are attractive white stones with one or two piqué inclusions, the setting of the last diamond at one end is starting to show signs of wear. There is slight variation of cut to the diamonds, some do not have perfect rectangular table facets and some of the diamonds are slightly lower in their settings than the others, this could impact on the lack of uniformity of appearance of colour and lustre. The ring is otherwise in good condition.
