LOT 591

A gold, platinum and diamond single stone ring, claw set with a circular cut diamond, detailed '18ct fine plat', weight 2.1g, ring size approx I1/2, with a box.

Estimate: £80 - £120

Condition Report

591. The diamond looks to be an attractive clear white stone. The ring would benefit from professional cleaning as it is currently rather dirty. Claws starting to show signs of wear. Ring mount slightly worn at the sides. Diamond weight approx 0.20ct. Suggested age, 1950s/60s.
