Condition Report

1025. The watch is cosmetically in good clean condition with no significant damage or repairs. Typical light surface scratches, but nothing significant. Bracelet in good order and clasp working well. Winding button screws down tightly. Unfortunately the watch is not currently running, possibly needs a battery replacement. The watch adjusts smoothly and date and day apertures roll-over as they should. No box or paper. Case diameter 3.5cm. Bracelet circumference approx 19cm.
