

Clocks and Barometers / Thu, 21st January 2021 / Lot 1097

LOT 1097

A 20th century brass ship's bulkhead timepiece, the brass movement with platform escapement, detailed 'Coventry Astral, Made in England' and numbered '23753', the painted dial with Roman hours, subsidiary seconds and slow/fast indicator and inscribed 'Smiths Astral', the cylindrical case with bevelled glass hinged bezel and adjustment button to side, diameter 26.5cm (faults).

Estimate: £50 - £100

Condition Report

1097. The movement winds smoothly and runs but please be aware we give no guarantees to working order or reliability of any clock or watch. The case and glass in generally good condition with no significant damage or repairs. There is some minor pitting/discolouration in places to the lacquered brass case. The adjustment knob on the side of the cast at 3 o'clock does not work.
