LOT 1079

An early 20th century brass carriage alarm clock with eight day movement striking on a bell, the glazed case with swing handle and bracket feet, height 14.5cm, together with a 20th century German walnut mantel clock, height 21.5cm.

Estimate: £40 - £60

Condition Report

1079. Carriage alarm clock - the movement winds smoothly and runs and the alarm also strikes on a bell when it should but please be aware we give no guarantees to working order or reliability of any clock or watch. Case is a bit dirty and dusty but generally OK.

Walnut clock - winds and runs but please be aware we give no guarantees to working order or reliability of any clock or watch. The striking mechanism is also working.
