

Collectors' Items, Works of Art and Light Fittings / Thu, 28th January 2021 / Lot 2520

## LOT 2520

Eugène Laurent - a late 19th century French gilt patinated cast bronze figure of a fisherwoman holding a basket of seafood over one shoulder, the circular base bearing cast signature, height 55cm.

Estimate: £400 - £600

---

## Condition Report

2520. The general condition and overall appearance is good. Good even patina with some small areas of light spotting and surface build up. Only some very minor surface wear to high points and no apparent scratches or dents.
