

Furniture / Thu, 28th January 2021 / Lot 2256

### LOT 2256

A George III ash child's armchair with pierced splat back and solid seat, on block legs, height 65cm, width 40cm, together with a Victorian fruitwood child's chair with ring turned spindle back and rush seat, on turned baluster legs.

Estimate: £40 - £60

---

### Condition Report

2256. The armchair is sturdy and solid, with only a very minor hairline crack to the splat and a few old woodworm holes to seat rail. The other chair is also solid but does have a crack to the left rear upright at seat height. It also has a chip off the left finial.
