LOT 2087

A near pair of Victorian ash and elm pierced splat back Windsor rocking armchairs with shaped hand rests and turned spindle supports, height 108cm, width 65cm, and height 103cm, width 68cm.

Estimate: £100 - £200

Condition Report

2087. One chair has a loose front spindle to the armrest, it appears that it has been repaired in the past and needs re-attaching.

The other chair has a small crack to the left-hand side edge of the back support upper section. Otherwise areas of uneven surface patina, typical surface wear, scuffs and scratches.
