A Regency rosewood side table, in the manner of Gillows, fitted with a single oak-lined drawer, the turned column with a carved acanthus leaf baluster, on four carved claw feet, height 75cm, width 54cm, depth 46cm.

Estimate: £300 - £500

Condition Report

2002. The top of the table is slightly faded and the two sections of veneer and carcass have gapped slightly by about 1mm. There is a small chip to the veneer on the left side of the top and a few small cracks to the veneer on the base. The top surface of the base has a few minor water marks, but generally the table is in good order. All four castors are present and working.
