LOT 2198

A late 19th century gilt composition sectional wall mirror with a beaded frame, 66cm x 105cm (re-gilded).

Estimate: £80 - £120

Condition Report

2198. There are a few areas of surface loss to the frame and some areas of loss that have been covered by the repainting. The frame is otherwise in reasonable condition but the repainting is not particularly well done and would not want to describe it as re-gilding rather just repainted in gold paint.
