## LOT 2005

A William IV mahogany framed library armchair, raised on reeded legs and brass castors, height 109cm, width 67cm, depth 77cm (faults and repairs).

Estimate: £80 - £120

---

## Condition Report

2005. Both of the rear legs are re-spliced replacements, one with a re-glued join. Otherwise the rest of the frame has fairly typical knocks, scuffs and wear. Due to the replacement legs it doesn't seem to sit straight and would need part of a leg reduced in height. Upholstery is quite clean and tidy.
