LOT 2216

A set of eight Edwardian Neoclassical Revival mahogany and inlaid shield back dining chairs, comprising two carvers and six standards, height of carver 99cm, width of carver 55cm.

Estimate: £300 - £500

Condition Report

2216. Apart from fairly superficial surface scuffs, scratches and marks, the chairs appear to be in good order. They are all structurally sound and don't appear to have any major repairs. The carvers have had the rear arm joints professionally re-attached but otherwise in good original condition.
