## Condition Report

2218. The top of the bureau has some cracks and areas of re-veneering to the rear edge. The left side has a thin crack running down the rear edge. The right hand side has two thin cracks running down the length. The fall flap has a slight warp so that the right side sits a bit proud of the opening. The two loper handles are missing, an ivory key escutcheon is missing and the handles have been changed. The ogee bracket feet have cracks to them and otherwise there are overall scuffs, marks and small repairs.
