## LOT 2141

A late Victorian mahogany revolving tub back desk chair with shaped panel seat and downswept legs, height 83cm, width 58cm, depth 61cm.

Estimate: £100 - £150

---

## Condition Report

2141. There are the usual overall surface bumps, marks and scuffs to the chair. There is a small crack to the right-hand side edge of the seat panel, as well as two small repaired cracks to the lower bowed tub back support bar near the armrests. The edges and corners of the feet are a bit worn from continual foot rubbing over time and also some later screws holding some of the castors in place.
