## LOT 8

Thomas C. BATTERY - 'Landscape with Farmhouse', oil on panel, signed and dated 1837 recto, Eastbourne Fine Art label verso, 24cm x 31.5cm, within an inscribed gilt slip and gilt composition frame.

Estimate: £400 - £600

## Condition Report

Overall in good condition. Some craque lure throughout, slightly heavier to the centre of the image. UV examination highlights small areas of overpainting to the sky and touches of overpainting elsewhere. The work has been kept behind glass so is largely free from surface dirt and the varnish is still bright.

The later gilt frame is in good condition, with minor scuffs and scratches. Unexamined out of the frame.
