Elmyr de Hory - Homage to Amedeo Modigliani with a Head and Shoulders Portrait, pencil drawing, signed, 49cm x 38cm, within a black and silver frame.

Estimate: £60 - £100

Condition Report

Overall age toning, some staining and soiling to paper. Browning around edge mount. The mount and backing are not archival. Frame has some scuffs and scratches. Unexamined out of the frame.

Provenance

According to the current vendor. This was purchased by their father, probably in the early 1970s but certainly before 1976 when the vendor remembers moving house. The vendor's father was a chartered accountant and one of his client's was also a family friend. At the time, his friend's daughter, Claire, was going out with Mark Forgy and got the paintings through that connection, having been taken with the story of de Hory.
