LOT 62

Circle of William Dobson - Portrait of a Royalist Gentleman wearing a Wide Lace Collar and Red Sash, early/mid-17th century oil on canvas, 96cm x 57.5cm.

Estimate: £300 - £500

Condition Report

In poor condition. Relined. Restoration to the bottom right corner, possibly a patch. Two areas of test cleaning have also been varnished and this is now starting to discolour. Craquelure throughout and there are many small areas of paint loss throughout the canvas, including to the face. Relined canvas is now tatty around the edge as the work is unframed.
