LOT 78

John Varley - Mountainous Landscape with a Village on the Bank of a Lake, early 19th century watercolour, indistinctly signed, 31cm x 47cm, within a gilt composition frame.

Estimate: £300 - £500

Condition Report

Age toning throughout causing the areas heightened with white to stand out a little under examination under a bright light. Slightly faded. Some spots of foxing. Quite faded as colours are a little muted. Mount is not archival and browning along the cut edge. Frame in okay condition but with chips to composition, the worst of which is to the bottom right corner. Unexamined out of the frame.
