## LOT 85

Charles Maurice Detmold - 'Owl', late 19th century watercolour, signed with initials flanking a scarab and dated 1899 recto, titled The Keyser Gallery label verso, 23.5cm x 17.5cm, within a gilt frame.

Estimate: £300 - £500

## Condition Report

The work seems unfinished although signed. Minor age toning. But the paper is a buff colour anyway. A couple of spots to the surface which look to be small stains from detritus rather than foxing. There is also a few minor bits of surface soiling. Possibly a little faded. Mount is not archival and is browning along the cut edge. Frame with minor rubbing to extremities and a few light scratches. Unexamined out of the frame.
