LOT 88

A. de Breanski, possibly Arthur - Highland Cattle in a Mountainous Landscape, oil on canvas, bears signature and date 1904, 59cm x 49cm, within a gilt composition frame.

Estimate: £400 - £600

Condition Report

In good overall condition. Relined. Previous cleans have left the surface a little 'thin' in areas, some minor subsequent surface dirt. UV examination highlights the signature, and a restored tear above this. Other areas of overpainting include a small area above the tree on the left, one small area nearby on the hillside, and touches to the top right corner and around the cows. Some minor craquelure. Frame has been restored and repainted gilt. Some subsequent damage to corners at the back edge.
