### Condition Report

O'Brien: Generally in really good condition, however, there is considerable surface dirt to the underside of the glass and it is a little tricky to see through this. So there may be some surface dirt to the work too. Frame is a little soiled and has minor scuffs and scratches.

Cox: Some light foxing throughout. Three heavy stains, including two to the jug. Slightly faded. Minor rippling to paper. Mount is not archival. Frame in okay condition.
