LOT 225

British School - Oval Portrait of an Anthropomorphic Figure sitting in a Chair, overpainted with a Corgi's Head, 19th century and later oil on canvas, 114cm x 90cm.

Estimate: £40 - £60

Condition Report

The dog's head is a modern addition. There is a significant tear to the right hand side. There is also a split running vertically on the left hand side. Older patch repair. UV examination highlights further overpainting elsewhere. Some surface scratches. Bloom to surface possibly due to an old varnish. Unframed.
