LOT 1026

A Chinese famille rose enameled porcelain figure of a seated Buddha, 20th century, with five boy attendants, impressed seal mark to base, height 25.5cm (minor haircrack to belly), together with an oval wood stand, width 27.4cm.

Estimate: £100 - £150

Condition Report

1026. There is an approx 7cm long hairline crack running horizontally across the Buddha's tummy - please see the close up images on our website. There is also a manufacturer's firing crack around the front edge of the base underside. Otherwise in good order with no restoration.

The underside of the stand has a triangular shaped filled section to one end - it looks to be original rather than a repair.
