LOT 1090

A Japanese brown patinated bronze model of an elephant, late Meiji period, by Seiya, modelled in a standing pose, cast three-character seal mark to underside of one foot, height 28cm, length 44cm, with carved wood stand.

Estimate: £500 - £800

Condition Report

1090. Generally in good condition with no significant damage or repairs, a little dusty - would benefit from a clean. Some minor glue residue visible where ivory tusks have become loose and glued back into place. Good clear signature. Wood base in generally good condition with typical scratches and wear.
