

Silver and Plate / Tuesday, 16th March 2021 / Lot 303

### LOT 303

A mid-18th century Dutch silver teapot of low-bellied baluster form, the domed lid with knob finial, chased and embossed with acanthus leaves, shells and bellflower swags, Haarlem 1746, probably by Jan Verdoes, weight 376.2g, height 15.4cm.

Estimate: £300 - £500

---

### Condition Report

303. Generally good condition. Appears to be a small solder repair to underside near marks. Otherwise body is in generally good order with typical light surface scratches and wear, a few minor dents and small solder repair to one side of handle. Top section of wood handle is missing its securing pin so handle is a little wobbly.
