LOT 376

A George III silver milk jug of octagonal tapered form with bright cut engraved decoration, reeded loop handle and octagonal foot, London 1792 by Duncan Urquhart & Naphtali Hart, weight 147.2g, height 10.6cm.

Estimate: £100 - £150

Condition Report

376. Stem is dented and buckled leaving it quite weak, so would require attention. Otherwise the jug is in good order with really crisp engraving and good clear marks.
