LOT 36

Peter Paul Rubens - 'The Watering Place', engraving by John Browne published by John Boydell circa 1770, with later colour, 46.5cm x 57cm, within a gilt frame.

Estimate: £40 - £60

Condition Report

36. Quite difficult to establish condition as it is behind non-reflective glass that distorts on close inspection. There is definitely some age toning and there is no visible plate line. There may be some sort of repair or other condition issue to the bottom right margin. No visible foxing although there may well be. Mount is not archival and has browned around the cut edge. Frame with some scratches and scuffs. Unexamined out of frame.
