LOT 497

An early 19th century Sheffield plate wine cooler with detachable liner and cover, the urn shaped body with engraved crest and reeded band, flanked by a pair of foliate moulded handles, on a circular foot, height 21cm.

Estimate: £120 - £180

Condition Report

497. Generally good condition, no significant damage or repairs but body pushed down ever so slightly onto the base so the cooler does not stand perfectly straight. Minor misshaping to footrim. Inner liner and cover fit together tightly and are also in good order. Handles and high points with typical light wear but no damage or repairs. Engraved crest is crisp and clear.
