LOT 2111

A mid-Victorian walnut showframe slipper chair, upholstered in buttoned cream fabric, on carved cabriole legs, height 86cm, width 57cm.

Estimate: £60 - £90

Condition Report

2111. The upholstery is good and the fabric is clean. The chair frame is relatively sturdy for a chair of this type. There are two small pieces of carved moulding missing that should continue from the cabriole leg up on to the side rails, but not really noticeable.
