### LOT 2119

A George V mahogany two-section wardrobe, fitted with a pair of figured doors above four drawers, height 213cm, width 123cm, depth 60cm (alterations).

Estimate: £60 - £100

---

### Condition Report

2119. The wardrobe would have originally been a larger three-section wardrobe but at some stage has been professionally reduced in size. The only noticeable part being a central join in the plinth and the pediment. Otherwise, there are just a few light scuffs and marks overall. The doors and drawers all operate well. There is a small strip of beading missing to the bottom edge of the right door but otherwise generally in good order.
