

Glassware / Tuesday, 16th March 2021 / Lot 1734

### LOT 1734

A Venetian latticino footed bowl, probably 18th century, the circular bowl raised on a knop stem and circular foot, height 15.5cm, together with a two-handled glass vase, the fluted neck above a globular body, height 14.5cm.

Estimate: £60 - £100

---

### Condition Report

Footed bowl - the foot has been broken in two and visibly riveted with a small oval shaped chipped section along the original break line which is also held in place by the rivets. There is a (probably associated) 5.5cm long crack to the base interior of the bowl above the middle of the foot.

Vase - In good condition overall with no cracks, chips or restoration.
