### LOT 1525

An Art Deco Royal Worcester Crown Ware lustre vase, circa 1926, the orange ground baluster body decorated in gilt with Eastern landscapes and tall trees, gilt printed and painted marks to base, height 26cm (minor chip to footrim).

Estimate: £30 - £50

---

### Condition Report

Approx 0.5cm square flat chip to outer edge of footrim, otherwise in good condition overall with no cracks or restoration.

The gilding remains good with little wear.

The glaze in the paler orange areas is a little patchy and the detail in this area has run and is not terribly well defined - a manufacturing issue.
