

Collectors' Items, Works of Art and Light Fittings / Thursday, 18th March 2021 / Lot 2618

### LOT 2618

A 20th century chip carved stone sundial stand, the top with applied cast metal sundial, height to top of stand 74cm (repairs).

Estimate: £30 - £50

---

### Condition Report

2618. The three separate chip carved pieces are in reasonable weathered condition. The stem has been glued to the base with some kind of silicone based glue and the top is separate. The dial appears to have also been stuck with glue.
