### Condition Report

2549. The larger case has a thin hairline crack to one side. It is missing the closing hook and has two small pin-prick holes to either side. Otherwise a few minor surface scuffs.

The case inscribed 'Jerusalem' is missing its turned finial, has a small hairline to the cylinder and a thin crack to the turned disc end. Overall surface wear and a torn end to the paper scroll.

The smallest one that does not have much age is in good condition.
