

British and Continental Ceramics / Tuesday, 16th March 2021 / Lot 1413

LOT 1413

A Pountey & Co circular charger, second half 19th century, outside factory painted with carnations against a yellow ground, impressed marks to base, diameter 31.5cm.

Estimate: £50 - £80

Condition Report

1413. In generally good condition, some minor crazing, gilt rim quite heavily rubbed, otherwise with minor wear/losses to the decoration overall. A small manufacturing fault to the underside of the rim.
