LOT 2301

A Victorian pine dresser, the shelf back above drawers and cupboards, height 196cm, width 162cm, depth 39cm.

Estimate: £100 - £150

Condition Report

2301. As with most pieces of Victorian pine, it has the usual knocks, surface marks and scuffs. Also a few minor cracks to the timber, but generally in good order. The brass handles are later replacements and it would have originally had turned wooden handles.
