LOT 2292

A mid-Victorian buttoned back armchair, upholstered in pale green fabric, on turned walnut legs and brass castors, height 88cm, width 70cm, together with a Victorian showframe slipper chair, height 86cm, width 55cm, and another armchair, upholstered in blue velour, height 97cm, width 61cm.

Estimate: £60 - £90

Condition Report

2292. The cream tub back is in reasonably good condition with minor wear to legs and castors. The slipper chair is a little wobbly and has some small chips and cracks to frame. The blue chair has a repaired crack and chip to one leg, as well as repairs to the rear leg joints. It now appears to be quite stable and just has a few marks to the fabric.
