LOT 1752

A part suite of Waterford Lismore pattern glassware, comprising a ship's decanter and stopper, eight champagne, six whiskey, three claret and three white wine, together with seven Waterford Alana pattern glasses, height 11cm, and two Colleen tumblers.

Estimate: £100 - £150

Condition Report

One of the Alana pattern glasses is chipped, otherwise all the glasses and the decanter in the lot are in good condition with no damage or repairs.

There is no clouding or dishwasher use evidence and no significant scratches or wear.

They are quite dusty and could do with a wash which is why they may look a little cloudy in our images.
