LOT 2122

A set of eight George III mahogany bar back dining chairs, comprising two carvers and six standards, with 'X' frame centre rails, on square tapering legs, carver height 89cm, width 56cm.

Estimate: £100 - £200

Condition Report

2122. All the chairs are generally ok and structurally sound, however there are typical repairs throughout the set, including a few repaired breaks to legs, a few repairs to leg and stretcher joints and some minor repairs to a few of the bar back joints. One of the corners has a repaired crack to the top of one arm joint. There is overall surface wear and scratches. The seat pads are in good order. Width of standards 49cm.
