A Jaeger-LeCoultre Atmos mantel timepiece, the gilt brass perpetual movement numbered '142536', the black circular chapter ring with gilt Arabic numerals and arrowhead hour makers, the lacquered brass and glazed case with canted corners, on a plinth base and bracket feet, height 22cm, together with brass wall bracket.

Estimate: £300 - £500

Condition Report

1110. The Atmos timepiece is in generally good condition. It is currently in good working order and keeping good time over a 3 hour test period, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The case has some typical light wear/scratches to gilt lacquer, particularly the edges of the rectangular base. Otherwise a little dusty and dirty, but in generally good order with no significant damage or repairs.
